

# Coca Cola/Drennan International Junior Festival 2015 Rules

These rules apply to all matches held at White Acres. By entering a match at White Acres you agree to abide by these rules. If you are found to have broken any of these rules you will forfeit your place on the match and will not be permitted to continue in the match and your match entry fees will not be returned to you. These rules are in place to ensure the smooth running of the match and to make the match and enjoyable experience for everyone who is taking part or spectating. If you are in any doubt about any of the rules or have any questions please ask a member of our fisheries team who are always happy to help.

## PLEASE REMEMBER THAT YOU SHOULD ONLY HAVE YOUR BAIT ALLOWANCE AT YOUR PEG

Your bait allowance is 8 pints made up of carp/coarse pellets, combined maggots & casters, meat, corn & hemp.

**You cannot have more than 4 pints of combined maggots & casters or meat.**

A maximum of 1 kilo of worm.

A maximum of 2 kilo of groundbait (including your paste).

A maximum of ½ loaf bread.

1 small tub of mini boilies up to 10mm

All of the above bait allowances refer to the amount of bait that you are allowed to take to the lake/your peg. All baits must be prepared and ready to use, surface/floating baits are not permitted and no balling in, you may catapult or throw small walnut sized balls, please do not abuse this rule.

If you are found with more bait than the above allowance or do not comply with the other requirements set out above relating to your bait you are breaking White Acres rules and your place on the match will be forfeited and entry fees will not be returned.

1. All anglers must be in possession of a current Environment Agency rod licence.
2. **There is now a 60lb weight limit per net. Anything over 60lb in the net will not count.** KEEPNETS ARE NOT TO GO INTO THE WATER UNTIL 15 MINUTES BEFORE THE START OF EACH MATCH. No rocks or stones in your keepnets
3. The floating method, candle or feeder floats or any adaptation of these methods is banned. A minimum hook length of 4 inches can be used on a method feeder / bomb.
4. All feeders & bombs must be free running to a bead.
5. No buoyant topped wagglers/splashers or any adaptation of these methods. The maximum width of a Waggler is 3/8 of an inch. NO UNDER SHOTTING
6. No floating the pole, the rattler, cupping water or taping the water. When fishing the pole you must use a pole rig with a correctly shotted float. The tip of your float must be a minimum of 8 inches from your Connector or elastic. (NO OVER SHOTTING).
7. No using a second pole to feed whilst fishing.
8. No pole cups must pass over the water before the start of the match.
9. Barbless hooks only maximum size 12. No braided line to be used (main line or hook length)
10. **13mtr pole limit**
11. Anyone found discarding their old bait into the lake or around their peg will be disqualified.
