First Strike...

Welcome

once again to **Newsreel** which we hope will brighten up the dark winter days and inspire you with thoughts of your next visit to White Acres.

You will notice some big changes when you return with the installation of a 'Bowlingo' alley beside Marco's restaurant, a completely new and enlarged tackle shop, and a fisherman's cafe down by the lakes.

Those are the obvious changes but there have been many more to enhance your enjoyment while spending your leisure time at the best angling holiday park in the country.

Join us in the coming months when we can experience the rod bending and elastic stretching experience and all round family entertainment that is a White Acres holiday.

In this issue we have two rods to give away, the sensational new ABU Suveran Match SSGS featured in Tried and Tested plus a superb Korum waggler rod in our new word search quiz.

Enjoy the read, until next time tight lines,

Keep on baggin',
