

## **MILO FESTIVAL 2010**

Welcome to the Milo festival. We are looking forward to seeing you all shortly.

I enclose some information about the festival that you may find helpful for planning & preparing. Included are the rules, bait allowances & format. The rules are designed to ensure the festival is run to the highest possible standard and is fair & enjoyable for all competitors. Please note we have introduced some new rules and bait allowances for this year so make sure you read the document thoroughly.

Please take some time to read this information as there are some slight changes. For further information on the lakes please visit our website [www.news-reel.com](http://www.news-reel.com) or contact us on 01726 862 526 if you should have any further questions.

**Please note rule 8 on the bait information and rules, this has been re-instated as a rule rather than advisory point and we have a zero tolerance policy on this, anyone found discarding bait in to the lakes or around their peg before, during or after the match will face an instant disqualification.**

To maintain the payout and prizes of the festival we have secured generous sponsorship from Milo as well as Parkdean holidays that to add the prize fund of all the festivals.

We carry out spot bait checks during the week and there will be penalties for any angler not complying with our rules. On the first draw you are required to sign to confirm that you have read and understood the rules. If you do not sign you will not be permitted to fish and will not have your entrance fees refunded.

Once again please do not hesitate to contact us on 01726 862 526 if you require any further information. We look forward to seeing you all soon on the 2010 White Acres Milo Festival

Kind Regards, Kirsty
