## HARRY IS DYNAMITE!

SMILES ALL ROUND WHEN FORMER PARKDEAN MASTERS CHAMPION **HARRY BILLING** PICKED UP HIS **£3000** WINNERS CHEQUE FOR HIS FANTASTIC PERFORMANCE IN THIS YEAR'S **DYNAMITE BAITS FESTIVAL AT WHITE ACRES!**

**H**arry Billing takes the top prize and a £400 Dynamite product voucher in this year's **Dynamite Baits Festival**.

Harry, a **White Acres** festival regular, secured this well deserved win with 3 section wins and two seconds for a total weight of 290-7-0. **Steve Ringer** finished second for the second week running also with 35 points but on a lower weight of 219-0-0.

The Shimano backed giant has had a great two weeks fishing and again picked up a cheque for £1500 and £200 **Dynamite** product voucher. **John Chapman** ended up 3rd overall putting up some fierce competition and ending up on 35 points and a weight of 261-5-0 and picks up £1000 for his efforts and £150 Dynamite voucher. **Andy Lloyd** picks up £100 cash and £100 Dynamite voucher for the biggest one day catch of the week with his weight of 270-13-0.

The presentation evening went extremely well with **Matt Hayes** presenting all of the prizes. **Dynamite Baits** have once again come up trumps with this year's festival with all anglers waking away with goodie bags packed with products handed out by **Pete Chandler** and his team.

The weather conditions have not been the best this week with wind and rain battering the anglers from all directions, but the talent shone through and the weights have once again been impressive. This is the first major festival at **White Acres** where pellets have been allowed and fisheries manager **Clint Elliott** believes it has added to the festivals success, Clint said "our bagging pellets have been designed with the best interests of our lakes and fish in mind, they are low in oil and with the current popularity of pellet fishing I believe that the anglers fishing the festival will get the best results from these pellets".

**WE HAVE THE POWER!**  
And the Test centre to prove it!!

At Garbolino we know that our poles are strong enough, how you may ask? Because White Acres is one of Garbolino's official pole testing centres. Darren Cox - £25,000 White Acres Masters Champion 2002 "We like to test all our poles thoroughly before they reach the shops. Simply putting an elastic rating on them is not good enough; you must fish with them to get a true feel of the poles capability. I test all our poles and there is no better place than Eery, Sycamore, Gwinear or Bolingey to push a pole to the limit."
