6th - 7th Sept
27th - 28th Sept
25th - 26th Oct

Come and watch Keith fish on the Wednesday then find out all there is to know about fishing in the Anglers Arms.

News Bites...

NEW FESTIVAL SPONSOR

White Acres are pleased to welcome Maver aboard as sponsors of our first autumn festival starting 1st October, formally the Preston Innovations Festival. This will now become the Maver Festival. Preston Innovations are now sponsoring the Parkdean Masters week so it is now a qualification only festival leading on to the one-day Parkdean Masters £25,000 grand final. This year we are expecting the festival to be better than ever with lavish prizes provided by

Preston. The format remains the same - you have to have won a resident's match or qualified through one of our spring festivals to fish this event and the top 24 winners of the Preston Innovations Festival will then go on to fish the Parkdean Masters grand final on the Saturday with a £25,000 prize. Contact Kirsty on 01726 862526 for all your festival bookings and enquiries.

BUMPER CATCH...

Andy Lloyd had a bumper day on Bolingey during the **Dynamite Baits Festival**. Andy set a new lake record on Bolingey from peg 19 topping the scales at a whopping **270lb 13oz** catching with hair rigged 8mm pellet shallow on the waggler feeding 6 - 8 pellets tight against the island for this massive haul!

MAGIC MIRROR!

Dynamite bait's presentation was a great success due to Sky television personality Matt Hayes who presented the festival anglers with their prizes, but a dream came true for 7 year old Shelby Trowers when he presented her with her Carp of the week trophy for catching a 20lb 2oz mirror from Pats pool. Mum also managed to get in on the action with biggest carp of the week for the ladies with a 12lb 5oz mirror!

THE WRITINGS ON THE WALLS...

WHITE ACRES will be holding their second ever ladies festival this July, now with the added bonus of sponsorship from **Ice-Cream giant Walls**.

The **Walls Summer Solero Ladies festival** is open to all female anglers of all abilities. The competitors last year had a fantastic time enjoying beautiful

weather, a great atmosphere, coaching from the England ladies team and then competing against them in the three-day event. So if you fancy your chances we still have availability for the Walls Summer Solero Ladies Festival, for more information or to book onto the festival please contact us on 01726 862 526.
