First Strike...

Welcome

The warmer weather is well and truly upon us and the fish are feeding well - if you have yet to visit **White Acres** this summer the carp, tench, bream, roach and perch are all waiting for you to wet a line! Oh and the catfish in **Pat's** are there for those of you with a specimen leaning, after all they are resident to a whopping 50 lb-plus!

In this issue **Newsreel** shows why you should include a trip to magnificent **Bolingey** in your holiday agenda with 20 lb-plus carp and plenty of smaller samples of all sizes it can provide a memorable fishing session.

Kick Start gets you off to a flyer with a look at rig making and in **Tried and Tested** there's also the chance to win a superb range of **Mosella luggage**.

Match Focus looks back at the Spring Festivals including the **Drennan Super League Final** and the **NFA builder Builder Center Knock Out Final**. We also reveal a change in the fishery rules that will see **pellets allowed** in all of the

festival events in **2005**.

White Acres is looking to open most of the year we preview **December's Garbolino Silver Fish Festival** and the sport that will be on offer.

Keith Arthur has a busy schedule of **Question and Answer Forums** in the clubhouse this summer If you can book for the week including 6th and 7th of July you'll see the **Sky television** crew in action filming Parkdean Master **Steve Ringer** before he joins Keith for the evening forum.

Can't wait to get down? All bet you can't!

Keep on baggin'
