Park General Manager

Welcome to the 2008 season at White Acres.

My name is Kevin and I am your new General Manager, I am joined here with my partner Caroline and our young son Callum. Although I have only recently moved to the area I have been with Parkdean Holidays for many years, having managed another of our parks in South Wales at Trecco Bay. It is like coming home for me as I was brought up in Cornwall as a child and have many fond memories of my time here.

Since I arrived in early January I have been very busy getting to know all the staff and getting involved in the planning of our two new owner developments, Foxglove Meadow and Sycamore Forest. I look forward to meeting you all at our Owner Events throughout this summer season.

Holiday Home Sales

Cold winter days, dark early nights will soon be a thing of the past as yet another season is upon us! Your Holiday Homes Sales Team are excited and looking forward to another great year at White Acres. We are busy planning a programme of events for the season and hope to see you all participating...they have proved a great success in previous years as it gives you a chance to meet new faces and catch up with staff and friends.

Kate and I would also like to welcome a new face to our team - Pete Houghton who is new to Holiday Home Sales. I am sure you will all look forward to meeting him and giving him a warm welcome as we have done.

Finally, our two new developments; 'Fox Glove and Sycamore' are flying ahead and what a great improvement they have already brought to our park.

It's onwards and upwards we all look forward to seeing you soon...

Retail

Hello one and all,

Just a quick note to welcome you all to the 2008 season. We have spent a lot of time in updating both our catering and bar menus; hopefully the changes will meet your approval!

Max's catering department is introducing some fantastic new dishes to his menu and with the return of his award winning head chef we are looking forward to an excellent start to the season. Nicki has added some new cocktails to our range - your sterling efforts at the end of season party made the decisions that much easier you see!

Also we are introducing a new range of organic and speciality fruit ciders, as well as reinvigorating the Beers of the World menu. Alongside this there will be a non alcoholic cocktail range for the little'uns.

Staff wise I am happy to say that all our retail managers and supervisors will be returning for this season, so the quality of service and product can only get better and better.

Looking forward to seeing you soon

Fishing

Welcome to a new season at White Acres. Over the winter the team have been extra busy with a major haircut on all the lakes. The idea of coppicing in this way is to allow as much wind into the water as possible, increasing oxygen levels and making for happy fish.

Winter matches have produced Carp weights up to 160lb and plenty of silver fish bags exceeding 50lb. We have also spread extra fish from our fish farm into Trelawney, Canal and Acorn to make the fishing even better.

The tackle shop has also had a spring clean, making it nice and fresh for the opening of the season. Some more parking has been provided behind the shop creating an extra 25 spaces so you have less walking to do!

Look forward to seeing you all soon.
