

Fisheries Manager Clint Elliott

welcome to the white acres fisheries guide

all your angling needs....

Welcome to fishing at White Acres, this information booklet should help you get the most from your fishing trip. It is packed with information on all the lakes including best baits, average depths, methods and most important peg numbers, there is also information on our off site fishing.

You will find inside our fishery rules for every aspect of angling, match, pleasure & specimen. If you would like any advice then you can call into our fully stocked tackle shop, which is within easy walking distance of our lakes.

We cater for all ages and abilities of angling and have a number of wheelchair friendly access pegs.

Have a great fishing holiday and if we can be of any further assistance please do not hesitate to ask any of my fisheries team.

Tight lines

Clint.

Our fishing lodge is fully stocked with all the bait and equipment you should ever need whilst on holiday with us. All leading brands are stocked and we hold a full range of poles, rods, reels, luggage and general tackle. As well as stocking all top name baits we also have our own brand of pellets, groundbait & boilies. There is everything here that will send you on your way to catching in any of our lakes and as well as our ambient products we also have fresh maggots and casters delivered throughout the week.

The fisheries team are on hand to offer advice on best methods and baits as well as helping with minor repairs and will also elasticate your new pole for you while you wait! Tuition is offered weekly for juniors & ladies and we are always in the shop or around the lakes if you need a bit of friendly advice.

We are open daily from 8am – 5pm for all your fishing needs.

Fisheries Team: Jamie, Kirsty, Adam, Ben, and Karl

The Tackle Shop's Opening Hours are 8.00am to 1.00pm - 1.30pm to 5.00pm
For more help or information please call us on 01726 862519 or 01726 862526
